November 5, 2020

Hello Blackhawk Lake Customers,

We would like to thank all of you for an exceptional year for Blackhawk Lake Recreation Area, and hope you'll join us again in 2021!

This year's opening reservation day is Saturday, December 12. The park office will open at 7 a.m. Those arriving in-person that morning will be received on a first-come, first-serve basis. E-mailed, faxed, or phoned-in reservations will be handled on Monday, December 14 in the order they were received.

Winter office hours do vary, but we are normally staffed 8am to 4pm, Monday thru Friday. Weekend hours vary based on park usage. If you are unable to stop in the office during regular business hours, you can call or e-mail your requests, and we will gladly mail them to you upon receipt of payment.

There are no rate changes for 2021.

We continue to try our best to keep improving our park and campground. This fall we have proposed upgrades to the handicap pier on the north end, an addition to the group shower house (original plans from 2019) in the fall with a possible dump station there. All new signage has been installed throughout the park. 2021 stickers will be available soon.

Please don't forget that camping and rental availability can now be checked on our website.

After more than 20 years of service to Blackhawk Lake, Dan Welsh chose to retire this fall. Having worked under Dan as the Assistant Manager since 2012, I am looking forward to serving as the new manager.

Again, thank you all for your loyal support. We wish you a wonderful holiday season and all the best for the New Year!

Sincerely,

Tom Michek (Park Manager), and all the Blackhawk Lake Staff.
